

# LUCIANO BARRABINO

## PERSONAL INFORMATION:

mail: lucianobarrabino@gmail.com

Date of Birth: 16-10-2000

Argentina

## PERSONAL PROFILE

I seek to be able to develop myself in the programming area, integrating myself from my most relevant personal qualities, since I consider myself a person who can easily learn everything that is required, in case I do not understand or do not have the skills, I try to find a solution from the learning or by consulting the appropriate person. I am a very proactive person who needs to gain experience to continue developing technically. I consider that I work well in a group, guaranteeing the objective and work environment with good communication.
